

Cheers began in 2012 to offer a New Year's Eve event with **ALL INCLUSIVE PREMIUM** service. What does that mean? We offer open bar with premium brands of liquor market and a bountiful and varied buffet with appetizers, hors d'oeuvres, desserts and breakfast.

Today's best music plays on two action-packed dancefloors -- one featuring amazing electronic music and the other with favorite pop songs. Even better: you can take a break from the party to watch the fireworks on Copacabana Beach and come back to enjoy the party until the sun rises.

Don't miss out on a mind-blowing New Year's Eve experience like nowhere else in the world! Buy your tickets now at https://www.sympla.com.br/reveillon-cheers-2019__339782

This year we have 8 DJs on the EDM stage and the pop stage and a live band leading the way through the tunnel to Copacabana Beach for the fireworks and back to the party again.

The historic venue -- Botafogo Mansion -- features an outdoor area with garden and balcony, a beautiful air-conditioned interior space, and a panoramic terrace with incredible views of the Christ. The party is very close to Copacabana Beach, so it's a short walk for you and your friends to watch the fireworks with your feet in the sand before returning to the party.

The foundation of any good holiday is the menu, so we prepare a complete buffet to satisfy the most varied of tastes. The menu includes appetizers, buffet dinner, snacks, desserts and coffee served throughout the event. You will never run out of new things to try.
